Dear Ms. Regan Starkey:

Congratulations! With great honor and pride, we are announcing that your firm is a winner of a Department of Homeland Security (DHS) Small Business Award for Fiscal Year (FY) 2019. The DHS Office of Small and Disadvantaged Business Utilization (OSDBU) established the Annual Small Business and Small Business Advocate Awards Program to recognize small businesses, small business advocates, and a mentor-protégé team that have shown outstanding performance in advancing the Department's mission.

At DHS, we understand the value that small businesses like yours provide in supporting the Department's mission. Our dedication to supporting small businesses is evident each fiscal year. For example, in FY 2019, we received a grade of A+ on the Small Business Administration's Annual Small Business Procurement Scorecard, which is used to measure how well federal agencies reach their small business contracting goals. This is the 11<sup>th</sup> consecutive grade "A" or higher we have received for our achievements. DHS is the largest federal agency with this record of performance.

The announcement of your award has been posted on the [Department's website](#) and a detailed description of the contracted services provided by Information Discovery Services, LLC to the Transportation Security Administration (TSA) is included in the [FY 2019 Small Business Award Publication](#). A notification of this award has also been posted on the [System for Award Management](#) website.

We have also included a copy of your award certificate with this letter. Again, on behalf of DHS, OSDBU, the Office of the Chief Procurement Officer, and the Head of the Contracting Activity at the TSA we congratulate you on this notable accomplishment.

Sincerely,

*E. Darlene Bullock*
